ON SITE AND SECURE STORAGE HIRE

Secure Site Store - 10ft x 8ft x 9ft 6in High Cube

OSSS-10X8HC

Secure site storage is a must have on any ongoing site project. Their solid steel, fire resistant construction allows kit to be stored securely out of sight and away from harm. Our complete size and style range of units allows the choice of the best unit for your needs.

As well as the great range of the industry standard sizes shown here, we can offer custom made and bespoke units to meet your own particular requirements.

Hi-Cube, or High cubic capacity units have a taller internal dimension. Meaning higher items, such as mini-diggers or small items with roll cages can be stored within.
