## ON SITE AND SECURE STORAGE HIRE

Secure Site Store - 8ft x 6ft

OSSS-8X6

Secure site storage is a must have on any ongoing site project. Their solid steel, fire resistant construction allows kit to be stored securely out of sight and away from harm. Our complete size and style range of units allows the choice of the best unit for your needs.

As well as the great range of the industry standard sizes shown here, we can offer custom made and bespoke units to meet your own particular requirements.

Small footprint container/store, based on the ISO shipping container architecture

## TECHNICAL SPECIFICATION

### TYPICAL APPLICATIONS:

Mortice lock or padlock versions available

Ideal for sites with restricted access

Suitable for job-sites that require storage for numerous security zones or trades within a given area.
